Dear Valued Patient,

Welcome to Goshen Medical Practice! Please fill the following forms in completely and return them to the office at your earliest convenience. Following are a few points to consider that will enable us to serve you better.

- Please bring all your medications with you at EACH visit.
- Remember to take them with you in the event of an emergency room visit.
- Always try to come at least 10 minutes before your appointment time.
- Please try to call well ahead of time in case of cancellation of visit.
- Please bring a list of all issues/complaint that you need to discuss.
- Please bring a list of all medications you need to be refilled, give the list to the nurse BEFORE you see the doctor.
- Please inform the nurse if you have been to any other physician office or emergency room since your last visit.
- Also, inform the nurse if any of your medications have been changed or dosage adjusted since your last visit.
- When calling in refills, allow 24-48 hours for those to be processed.
- When there are questions regarding more than 1 patient (i.e. a spouse), please be sure to schedule an appointment for each patient, allowing adequate time for your concerns to be addressed.

Please feel free to share and comments or concerns, and welcome to the office!

Thanks,
